

## 2024 WINE INDUSTRY IMPACT AWARDS SHOWCASING INNOVATION FOR SUSTAINABLE CHANGE

6 November 2024

media release

**Finalist announced for the Wine Industry IMPACT Awards (WIIA), presented by WISA – Wine Industry Suppliers Association Inc. Winners announced at the Gala Dinner on 14 November at the National Wine Centre.**

We are thrilled to announce the finalists for the 2024 Wine Industry IMPACT Awards, celebrating excellence, innovation, and outstanding contributions across the wine industry. This year's nominations represent a diverse range of entrants from all facets of the wine supply chain, showcasing the remarkable breadth of talent, dedication, and ingenuity within our industry.

We appreciate the effort each member took to enter this year, which reflects a high level of commitment to driving positive change and innovation across the sector. From Sustainability and Packaging & Design to Wine Tourism, Viticulture, Ag-Tech, Engineering, Winemaking & Oenology and Logistics, finalists have demonstrated exceptional contributions, shaping the future of Australia's wine industry both locally and internationally.

Our esteemed panel of judges is currently reviewing the finalists' submissions, with winners set to be revealed at the Wine Industry IMPACT Awards Gala Dinner:

 **Date:** Thursday, 14 November 2024

 **Venue:** National Wine Centre, Adelaide

This prestigious event is an opportunity for industry leaders, innovators, and supporters to come together and celebrate the best of the wine industry. Tickets are now available for those who wish to attend the Awards Gala and enjoy an evening of recognition, networking, and celebration.

To secure your seat please [Book your tickets here](#).

### **About the Wine Industry IMPACT Awards**

The Wine Industry IMPACT Awards, presented by WISA, celebrate excellence across all facets of the wine supply chain, recognising those who are making a tangible impact on the industry. The awards shine a spotlight on the achievements and innovations that enhance Australia's wine sector and build a sustainable, prosperous future.
